

The Damaged Ones

InVisions

Yeah, we are the damaged ones
Sick, twisted minds and we don't give a fuck
Hell yeah, and if you're damaged like us
Put your middle fingers up and tell the world to get fucked

Cause when the night hits it changes me
Some were born to follow, we were born to lead
We are the cloaked figures out in the dark
Just spark the match and we will take what's ours

Yeah, we are the damaged ones
Sick, twisted minds and we don't give a fuck

People say there is a calm before every storm
When we go hard we never stop, just know that you've been warned
Fuck the richter scale too much is just never enough
With twisted minds and crooked souls
Too much is never enough

Yeah, we are the damaged ones
Sick, twisted minds and we don't give a fuck
Hell yeah, and if you're damaged like us
Put your middle fingers up and tell the world to get fucked

Well I've said it before and I'll say it again
We still ain't fucking around, we ain't playing no games
They can't keep up, won't slow us down the end is never in sight
Cause we won't stop till we're fucked up, oh yeah we're out of our minds

Yeah, we are the damaged ones
Sick, twisted minds and we don't give a fuck

Always looking for another victim to enroll
Cause we are strong, the damaged ones and we're here to take control
Every night just seems to end up like a blurry mess
I don't remember a thing, what the fuck can I confess

Yeah, we are the damaged ones
Sick, twisted minds and we don't give a fuck
Hell yeah, and if you're damaged like us
Put your middle fingers up and tell the world to get fucked

Tell the world to get fucked
Yeah, get fucked
Tell the world to get fucked
Yeah, get fucked

So you're damaged like us
Sick and twisted that's fucked
Yeah, you're damaged like us
Tell the world to get fucked

We're all sick in the head
You're not normal, you're fucked like us
We're all sick in the head
Don't waste your time, don't pretend
You're fucked like us

Fuck

We are the damaged ones
Sick, twisted give no fucks

Yeah, we are the damaged ones
Sick, twisted minds and we don't give a fuck
Hell yeah, and if you're damaged like us
Put your middle fingers up and tell the world to get fucked
