

Disappear

INXS

E A D E A D

E A D
Say I'm crying I'm looking at what's on TV
E A D
Pain and suffering and the struggle, to be free
E H
It can't ever be denied and I never will ignore
E
But when I see you coming I can take it all

D E D E
You're so fine, lose my mind
D E D E
And the world seems to disappear
D E D E
All the problems, all the fears
D E D E
And the world seems to disappear

E A D E A D

E
Say you're mine and give yourself
A D
To the feelings that you know
E
I'm needing all that you can give me
A D
All the things that you do so well
E
Words are healing sweet, anticipation
H
Making spells as the shadows close in
E
And fall across all our yesterdays

D E D E
You're so fine, lose my mind
D E D E
And the world seems to disappear
D E D E
All the problems, all the fears
D E D E
And the world seems to disappear

E A D
Disappear, Disappear, Disappear,
E A D
Disappear, Disappear, Disappear, Disappear

E A D

E
Say if I could
A D
Look into myself and reason

E

But I could never never see or

A

D

Make sense of the deal

E

Turn around I'm lookin at salvation

H

Make me realize all that I am baby

E

You put the light inside this man
