

What You Need

INXS

Hey, here is the story
Forget about your troubles in life
Don't you know it's not easy
When you've gotta walk upon that line

That's why
You need
That's what
This is what you need
I'll give you what you need

Don't you get sad and lonely
You need a change from what you do all day
Ain't no sense in all your crying
Just pick it up and throw it into shape

Hey you won't you listen
This is not the end of it all
Don't you see there is a rhythm
I'll take you where you really need to be
