Like the spring rain that knocks on the window

My heart is wet and colored with you

When I see you smiling right now

Your playful words (knock knock knock)

I close my eyes but I keep thinking about them

I think I've definitely fallen for you

Why are you so busy?

Please answer me
I miss you
Things can't go the way I want
I can't control it
I call your name even in my sleep
Could I be in love?
I think I've definitely fallen for you

You knock knock knock at me
And you shake up my heart again
Every night
I fall asleep, tired from waiting
You knock knock knock at me
Talk talk talk in my ears
Can't you softly tell me that you love me?
How much more do I have to wait?
Oh tell me boy
Slowly, slowly, come to me, don't stop
I'm right here
Stop testing my heart
Can't you softly tell me that you love me?

The warmly blowing spring wind (knock knock knock)
It carries me and takes me to you
I wanna be next to you

Like the blossoming flowers (knock knock knock)
You're growing bigger in my closed heart
I think I've definitely fallen for you

Why are you so busy?
Please answer me
I miss you
Things can't go the way I want
I can't control it
I call your name even in my sleep
Could I be in love?
I think I've definitely fallen for you

You knock knock knock at me
And you shake up my heart again
Every night
I fall asleep, tired from waiting
You knock knock knock at me
Talk talk talk in my ears
Can't you softly tell me that you love me?

(You keep) knocking at my heart
My heart flutters
I wanna show it all
But you don't know
Please take one more step toward me
Open yourself to me
You got the key don't stop
Don't hesitate, come to me
Come on

You knock knock knock at me
And you shake up my heart again
Every night
I fall asleep, tired from waiting
You knock knock knock at me
Talk talk talk in my ears

Can't you softly tell me that you love me?
How much more do I have to wait?
Oh tell me boy
Slowly, slowly, come to me, don't stop
I'm right here
Stop testing my heart
Can't you softly tell me that you love me?
