Hey
Come On
Hey

Don't cross it
If you cross this line, I can't handle it
Flash bomb, a bomb in my head
It's getting white, stars are spilling

Turn, Merry-Go-Round (round and round)
Explode, Chupa candy (lolli lolli)
What I can't hide are coughs are one more
L O V E want you Yeah

Is this love? (hey)
Can I not turn this around?
Can I not escape? (hey)
I get dizzy whenever I see you

Hey Baby
Maybe, maybe, maybe, maybe
I think I like you (Baby Baby Baby)
I feel like melting (yeah)
Hey Baby
Maybe, maybe, maybe, maybe
I think my cheeks are red (baby baby baby)
I think I will fall in love

Nanana
Maybe I Maybe I
Nanana

Strawberry, grape, caramel
Sweet, so sweet
I will sit on the window with the thin moon
And I will sing
(Only song for you Babe)

Grow big, pumpkin carriage (bubble bubble)
Fly, magic carpet (sky sky)
What I can't hide are coughs are one more
L O V E want you Yeah

Is this love? (hey)
Can I not turn this around?
Can I not escape? (hey)
I get dizzy whenever I see you

I think I like you (Baby Baby Baby)
I feel like melting (yeah)
