It started again, this game of tug of war
(Oh no no no no no)
Who will be pulled first this time? I don't wanna lose
Slightly slightly, just so you can almost figure it out
I poke you and I want you to fall for me
But you're not easy boy
You keep giving me headaches

The ball moves on top of the table of our hearts
I like the fluttering that's in there
But I want to catch the ball, even if I do it first
But I can't
So I'm just waiting

Again today, it's ping pong
All day, back and forth
I keep doing ping pong
Inside my head is so busy
Small pink balls (bounce bounce bounce)
I wanna stop it now (no no no more)
Again today, it's ping pong
Can't you lose to me now?

It started again, our tug of war
(Oh no no no no no)
I'll pull first this time, so will you come to me?
Slightly slightly, just so you can almost figure it out
I poke you and I want you to fall for me
But you're not easy boy
You keep frustrating me baby

The ball moves on top of the table of our hearts
I like the fluttering that's in there
But I want to catch the ball, even if I do it first
But I can't
So I'm just waiting

Again today, it's ping pong

I wanna stop it now (no no no more)
Again today, it's ping pong
Can't you lose to me now?

Above your high net

I smash my heart, smash smash (smash)
This endless relay is getting boring
Attack planned (dash)
Now it's time, we're at a game point
You want it too, to be together
I want to break this tight balance
But again, ping pong

Again today, it's ping pong
All day, back and forth
I keep doing ping pong
Inside my head is so busy
Small pink balls (bounce bounce bounce)
I wanna stop it now (no no no more)
Again today, it's ping pong
Can't you lose to me now?
