

Borderlines

Iration

You've got me breaking the borderlines
But I just can't stand being confined
And I can't stop thinking

Locked up and I don't know why
Captive and I'm hardly me
I bet you've never seen a world like this
A new reality
Just give me a piece of your mind
I heard the dreams last
Just need a little time

You've got me breaking the borderlines
But I just can't stand being confined
And I can't stop thinking
Woah, woah, why?
Woah, woah, why oh?
Woah, woah, why oh why?

You don't wanna see our kind round here
Miracle that we made it this far
It's a shame that you have us walking the path we tried so hard not to remember
Just give me some peace of mind
Can't let the dream pass
Can't stop me crossing the line

You've got me breaking the borderlines

But I just can't stand being confined
And I can't stop thinking
Woah, woah, why?
Woah, woah, why no?
Woah, woah, why no why?
Woah, woah, why?
Woah, woah, why no?
Woah, woah, why no why?

I just can't wait til I get out of here
No one like me still hanging around here whoa
Can't wait to get out of here
No I can't wait, no I can't wait no

You've got me breaking the borderlines
But I just can't stand being confined
And I can't stop thinking
Woah, woah, why?
Woah, woah, why no?
Woah, woah, why no why?

You've got me breaking the borderlines
But I just can't stand being confined
And I can't stop thinking
Woah, woah, why?
Woah, woah, why no?
Woah, woah, why no why?
