

# New Style

Iration

Lately you're getting a feeling  
There's something eating at you deep down  
And though you're searching for a reason  
You're hard up for a remedy but I got you

Ooh child, ooh child  
I got the number one recipe that'll make you  
Cool down, cool down  
Guaranteed to hit the spot

Ayayayaay  
Talkin' bout a new style  
Ayayayaay  
Talkin' bout a new style  
Ayayayaay  
I'm talkin' bout a new style, new style  
Ayayayaay  
I'm talkin' bout a new style

Breakdown  
Breakdown  
Mikey said you gotta breakdown the walls  
And you can feel it  
It's a rhythm that you play  
Mikey Dread said you never ever stop the train

Ayayayaay  
Talkin' bout a new style  
Ayayayaay  
I'm talkin' bout a new style  
Ayayayaay  
Talkin' bout a new style, new style  
Ayayayaay  
Talkin' bout a new style

Ooh child, ooh child  
I got the number one recipe that'll make you  
Cool down, cool down  
Guaranteed to hit the spot
