

Remedy

Iration

I keep trying but I just can't sleep
Something's got a hold of me
I'm going faster than I have lately
And I just can't find a remedy

You fan the fire
When you lose control
Way out of your element
You fought the current
For way too long
Still couldn't get the best of it

I can't stop
All it takes is just one drop
When you feel it happening
All you gotta do is sing

Na na na na naaaaa
Na na na na naaaaa
Na na na na na na na na naaaaa

Far from perfect know I made my mistakes
Enough for a lifetime
Upped the ante, and I'm raising the stakes
Just gotta let my light shine
Whatever comes my way
Bounce back gonna ricochet
It's on my mind, is it written on my face?
Blue skies and better days

I can't stop
All it takes is just one drop
When you feel it happening
All you gotta do is sing

Na na na na naaaaa
Na na na na naaaaa
Na na na na na na na na naaaaa
Na na na na naaaaa
Na na na na naaaaa
Na na na na na na na na naaaaa
Yea!

Na na na na naaaaa
Na na na na naaaaa
Na na na na na na na na naaaaa
Na na na na naaaaa (I can't stop)
Na na na na naaaaa (all it takes is just one drop)
Na na na na na na na na naaaaa
Na na na na naaaaa (I can't stop)
Na na na na naaaaa (all it takes is just one drop)
Na na na na na na na na naaaaa
