

Summer Nights

Iration

Temperature is 85
Try to close my eyes
But something's on my mind
Thinking back through all the years
Counting all the beers
Oh man it's been a ride
All those days spent lying on the beach
Thinking 'bout how reality was so out of reach and
Though the years are catching up to me
I light one up and smile because the...

Mood is right
Thinking 'bout those summer nights
Those summer nights
Moon is bright
Thinking 'bout those summer nights
Those summer nights

Damn it's good to be free
My friends surrounding me
Just one of those days
No it's not a phase
It's our mentality
At the liquor store picking up supplies
Party all night waiting for the sunrise
When the world starts catching up to me
I take one back and smile because the

Mood is right
Thinking 'bout those summer nights
Those summer nights
Moon is bright
Thinking 'bout those summer nights
Those summer nights
Wasting time
Thinking bout those summer nights
Those summer nights
Getting high
Thinking 'bout those summer nights
Those summer nights

No matter how far you go
No matter if you've lost control
If you're surrounded by rain and cold
There's always somewhere you can go
And always know that the...

Mood is right
Thinking 'bout those summer nights
Those summer nights
Moon is bright
Thinking 'bout those summer nights
Those summer nights
Wasting time
Thinking bout those summer nights
Those summer nights
Getting high

Thinking 'bout those summer nights
Those summer nights
