

## Big City

Iris DeMent

I'm tired of this dirty old city  
Entirely too much work and never enough play  
And I'm tired of these dirty old sidewalks  
I think I'll walk off my steady job today

So turn me loose, set me free  
Somewhere in the middle of Montana  
Gimme all I've got coming to me  
And keep your retirement  
And your, so called, social security  
Big City turn me loose and set me free

I've been working every day since I was twenty  
I ain't got a thing to show for anything I've done  
Some folks never work and they've got plenty  
I think it's time girls like me had some fun

So turn me loose, set me free  
Somewhere in the middle of Montana  
Gimme all I've got coming to me  
And keep your retirement  
And your, so called, social security  
Big City turn me loose and set me free

Big City turn me loose and set me free
