

God Walks The Dark Hills

Iris DeMent

God walks the dark hills
The ways, the by ways
He walks through the billows
Of life's troubled sea
He walks through the cold dark night
The shadows of midnight
God walks the dark hills
Just to guide you and me

God walks the dark hills
To guide my footsteps
He walks everywhere
By night and by day
He walks in the silence
On down the highway
God walks the dark hills
To show me the way

God walks in the storm
The rain and the sunshine
He walks on the billows
On through glimmering light
Helps us walk up the mountain so high
Cross our rivers through valleys
God walks the dark hills
'Cause He loves you and me.
