

That's The Way Love Goes

Iris DeMent

I've been throwin' horseshoes over my left shoulder
I spent most all my life searchin' for that four-leaf clover
Yet you ran with me chasin' my rainbows
I love you too that's the way love goes

That's the way love goes, babe
That's the music God made for all the world to sing
It's never old, it grows
Losin' makes me sorry
You say, "Honey, don't you worry"
I love you too
That's the way love goes
