

# When My Mornin' Comes Around

Iris DeMent

When my mornin' comes around,  
No one else will be there  
So I won't have to worry about  
What I'm supposed to say  
And I alone will know that I climbed  
That great big mountain  
And that's all that will matter  
When my mornin' comes around

When my mornin' comes around,  
I will look back on this valley  
At these sidewalks and alleys  
Where I lingered for so long  
And this place where I now live  
Will burn to ash and cinder  
Like some ghost I won't remember  
When my mornin' comes around

When my mornin' comes around,  
From a new cup I'll be drinking  
And for once I won't be thinking  
That there's something wrong with me  
And I'll wake up and find  
That my faults have been forgiven  
And that's when I'll start living  
When my mornin' comes around
