

# Whispering Pines

Iris DeMent

Snowflakes fall as winter calls. And time just seems to fly  
Is it the lonely in missing me? That makes me want to cry  
My heart is sad like a mourning dove that's lost its mate in flight  
Hear the cooing of his lonely heart  
Through the stillness of the night

Whispering pines, whispering pines  
Tell me is it so  
Whispering pines, whispering pines, you're the one who knows  
Darling's gone oh he's gone  
And I need your sympathy  
Whispering pines send my baby back to me

See that squirrel up in the tree  
It's mate there on the ground  
Hear their barking call of love  
For the happiness they've found  
Is my love still my love? Oh this I gotta know  
Send a message by the wind because I love him so

Whispering pines, whispering pines  
Tell me is it so  
Whispering pines, whispering pines, you're the one who knows  
Darling's gone oh he's gone  
And I need your sympathy  
Whispering pines send my baby back to me
