Infinite Yonder

Iris

I can feel the love
Feeding like a fire
Falling like a dove
Sinking ever higher

It's you and I
It's you and I
I feel the calling
It's you and I
It's you and I
Don't know my fate

I don't know
I don't know
Show me what to say
And tell me where to go

I don't know
I don't know
The infinite yonder
Of the infinite soul

Time is as you say
Infinite but I won't tire
Clinging to the words I pray
Singing to my own dark choir

It's you and I
It's you and I
I'm just a stray
But the moment is calling
Show me the way

I don't know
I don't know
Show me what to say
And tell me where to go

I don't know
I don't know
The infinite yonder
Of the infinite soul

On my own I'm purified
On my own I meditate

Will you tell me secrets
Just before there's no escape
