

Take the Pain

Iris

The light inks out a life inside
Where unknown spirits still reside
Between light and dark's divide
I'm a survivalist 'cause I...

Take the pain, take the pain
I take the pain, take the pain

I live in uncertainty a lot
My center is often out of sight
It's gone on and on
On and on...

And I remain to take the pain

I take the pain, take the pain
I take the pain, take the pain
Take the pain, take the pain

Can we strive with no reversal?
You know life is no rehearsal

Take the pain, take the pain
Take the pain, take the pain
I take the pain, take the pain
Take the pain, take the pain
