

# A Woman Will Do Wrong

Irma Thomas

A woman will do wrong for the man that she loves  
Even let him break her heart and make her sad, She will  
Forget about her pride for that man she loves  
Even though she may know he is bad

I what I said  
A woman will give her best for the man that she loves  
Give a most right, yes she will  
She can't stay away long from the man that she loves  
A do it maybe long to her best friend

And I what I said  
Yeah, yeah, yeah yeah  
Ooh yeah  
A woman will do wrong  
Ooh, yes, I will love

A woman has no other like the man that she loves  
And everything she does comes from the heart, yes I does  
She turn back for mother for that man she loves  
tries to break my part

And I what I said  
Yeah, yeah, yeah, yeah  
Ooh, yeah  
Woman will do wrong for that man she loves  
Woman will do wrong for that man she loves  
Woman will do wrong...
