

# Be Your Lady

Irma Thomas

I can be a calm day  
And I can be a hurricane  
Mean as a rattlesnake  
Or sweeter than sugarcane  
I can be a soldier  
Or I could be an olive branch  
I could take love away  
Or give you just another chance

I could be a lot of things, baby  
But I just want to be your lady

I'll do anything  
To be your baby  
If I don't have you  
I'll go crazy  
I can't see my life without you  
Let me be your lady

You could be lonely  
Or you could spend time with me  
You could be my only  
Or you could run wild and free  
You could see the love I have  
Or just be blind to it  
You can give your love to me  
Or be too afraid to do it

You could do a lot of things, baby  
But I just want to be your lady

I'll do anything  
To be your baby  
If I don't have you  
I'll go crazy  
I can't see my life without you  
Let me be your lady

Let me show you how my love is strong  
Let me be your lady  
Let me be the one you can lean upon  
Let me be your lady

We can sweet hearts  
Or we could be Bonnie and Clyde  
We could hit the town all night  
Or we could just stay inside  
We can fuss all day long  
Or we could be good together  
We could live in misery  
Or live in a world of pleasure

We could be a lot of things, baby  
But I just want to be your lady

I'll do anything  
To be your baby

If I don't have you  
I'll go crazy  
I can't see my life without you  
Let me be your lady  
I'll do anything  
To be your baby  
If I don't have you  
I'll go crazy  
I can't see my life without you  
Let me be your lady
