

## Crazy Love

Irma Thomas

I can hear her heart beat from a thousand miles  
And the heavens open every time she smiles  
And when I come to her that's where I belong  
Yet I run into her like a river's song

She gave me love, love, love, love, crazy love  
She gave me love, love, love, love, crazy love

She's got a fine sense of humour when I'm feeling low down  
And when I come to her when the sun goes down  
She takes away my trouble, take away my grief  
Take away my heartache in the night like a thief

She gave me love, love, love, love, crazy love  
She gave me love, love, love, love, crazy love

And I need her in the daytime  
(I need her)  
Yes, I need her in the night  
(I need her)  
Yes, I want to throw my arms around her, yes, I do  
(I need her)  
And kiss and hug her, kiss and hug her tight

When I'm returning from so far away  
She gave me some sweet lovin' just brighten up my day  
Yes, it make me righteous, yes, it make me whole  
And it make me mellow down into my soul

She gave me love, love, love, love, crazy love  
She gave me love, love, love, love, crazy love  
She gave me love, love, love, love, crazy love  
She gave me love, love, love, love, crazy love
