

# Dr. Feelgood

Irma Thomas

I don't want nobody, always  
Sittin' around me and my man  
I don't want nobody, always  
Sittin' right there  
Lookin' at me and that man  
Be it my mother, my brother, or my sister  
Go out and help them find somebody for theirself if I can

Now, I don't mind company  
Because company's alright with me every once in awhile  
Yes, it is  
I say, I don't mind company  
Because company's alright with me every once in awhile  
Yeah  
But oh... when me and that man get to lovin'  
I dig you, girl, but I just don't have time  
To sit and sit and chit-chat and smile

Don't send me no doctor  
Fillin' me up with all of those pills  
I got me a man named Doctor Feelgood  
And oh, yeah, this man takes care of all of my pains and my ill  
s  
His name is Doctor Feelgood in the morning  
And takin' care of business is really this man's game  
And after one visit to Dr. Feelgood  
You'll understand why Feelgood is his name  
Oh! Yeah! Good God almighty  
Don't you know that man makes me feel real  
Good!
