

I Can't Help Myself

Irma Thomas

Sugar pie honey bunch
You know that I love you
I can't help myself
I love you and nobody else
In and out my life you come and go
Leaving just your picture behind
And I kissed it a thousand times

When you snap your finger or wink your eye
I come a running to you
I'm tied to your apron strings
And there's nothing that I can do

Sugar pie honey bunch
I'm weaker than a girl should be
I can't help myself
I'm a fool in love, you see
Wanna tell you that I love you, tell you that we're through
And that's why
But every time I see your face
I get all choked up inside

When you call my name
Man, it starts the flame
Burning in my heart
Tearing it all apart

Sugar pie honey bunch
You know that I'm weak for you
I can't help myself
I love you and nobody else
When you snap your finger or wink your eye
I come a running to you
I'm tied to your apron strings
And there's nothing that I can do

Sugar pie honey bunch
Do anything you ask me to...
