

# I Do

Irma Thomas

Who needs two arms to hold him tight? I do, I do  
Who needs sweet kisses every night? I do  
What kind of fool would lose her head  
Every time he thought of you?  
Who wants to fall in love? I do

Who wants to see the same old face every day? I do (I do)  
Who wants to hear the foolish things you say? I do (I do)  
Who would change his carefree ways  
Start a new life with you?  
Who wants to fall in love? I do

Someone wants to fall in love  
Guess who? Guess who?  
Someone wants to give all her love to you  
Guess who?

Who needs a tender hand to hold? I do (I do)  
Who needs someone when nights are cold? I do (I do)  
Who wants to tie herself up off of you  
Spend the rest of her life with you?  
Yeah, who wants to say "I do"? I do  
Who wants to say "I do"? I do  
Who wants to fall in love? I do  
Who wants to say "I do"? I do
