

# Security

Irma Thomas

I want security, yeah  
Without it I'm at a great loss, oh now  
Security, yes  
And I want it at any cost, oh now

I don't want no money right now, no no no no no no no  
I don't want no paper  
But security, I'll have all of these things, yes  
All of these things here now

Security, yes  
That's all I want from you, oh now  
Security, yeah  
And a little love that will be true, oh

Your sweet tender lips you know they tells me  
That you're the one for me  
Darling, how can I forget  
How can I forget, yeah

I want security, yeah  
I'm telling you once again, oh now  
Security, and I want it in the end, oh now

Your sweet tender lips you know they tells me  
That you're the one for me  
Darling, how can I forget  
How can I forget, yeah

Come on, with just a little bit of soul right now, baby  
Lord, everything is gonna be alright  
One more time, just one more time, baby  
Don't it, don't it sound pretty good right now, sugar?  
Yeah, yeah, yeah yeah yeah, baby  
I need a little security right now, baby  
Come on, come on
