Two Winters Long

Irma Thomas

You know it's been so long, ah
Since you been gone
I waited till I got tired
I forgot you was alive

So sorry, my dear
You know you should of been here
Two winters long
You been gone two winters long

You left without a warning
Broke my heart in two

I didn't know what to do
But the rain and the windy season
Like a wave on a stormy sea
Blew away the memory of you

Since you left
I got somebody else
Two winters long
You been gone two winters long

I didn't know what to do
Blew away the memory of you

Ah, since you left
I got somebody else
Two winters long
You been gone two winters long

Two winters long
You been gone two winters long
Two winters long
You been gone two winters long
