

# Lightnin'

Iron Butterfly

Monday leads to Tuesday  
Tuesday brings the storm  
The storm brings my lightnin'  
And lightnin' keeps me warm

Lightnin' leads to thunder  
Thunder beats my torm  
My torm cries in wonder  
Lightnin' I am torn

She was the lightnin' in my eyes  
Oh, lightnin' in disguise

Torn by the pleasure  
When ripped by the scorn  
Monday bleeds of treasures  
By lightnin' I'm born

She was the lightnin' in my eyes  
Oh, lightnin' in disguise

She was the lightnin' in my eyes  
Oh, lightnin' in disguise

She was the lightnin' in my eyes  
Oh, lightnin' in disguise

She was the lightnin' in my eyes  
Oh, lightnin' in disguise
