

You Can't Stay Safe

Iron Chic

You can forgive your enemies
Be strong for the ones you love
Have grace and humility
It's just easier to give up

(You can't stay safe) You can't stay safe
(You can't stay here) And you can't stay here

You can start losing everything
Be scared of what's to come
Say a prayer with a melody
It's just breathing is hard enough

(You can't stay safe) You can't stay safe
(You can't stay here) And you can't stay here
(You can't stay safe) You can't fake a memory
(You can't stay here) Be careful with what you love
(You can't stay safe) Have faith in humanity
(You can't stay here) It's easier said than done
(You can't stay safe) You can't stay safe
(You can't stay here) And you can't stay here

(You can't stay safe)
(You can't stay here)
(You can't stay safe)
(You can't stay here)
