Intro:
Es F
1. Weaving a thread round your heart and your soul
  Deceiving your eyes and delaying your goal
  Ships in the night when they pass out of sight
  Deliver their cargo of earthly delights
2. To the women and children, the souls of the dead
  I've opened their book and no mercy is shed
  You want forgiveness and you want it cheap
  I don't give redemption rewards for the meek
                         Gmi
3. Suffering evil when you pay the price of fame
                                  Gmi
  There isn't a god to save you if you don't save yourself
