

## Resurrection

Iron Mask

Cthulhu, unnatural  
Prodigious claws attacking  
Belial, chimeras  
That shall not bridge abysses  
Amorphous confusion  
Absurdly grotesque angles  
Colossal and monstrous  
- Blasphemy with glaring eyes.

Ah...  
Hail thy resurrection  
Legend rising from the ashes

Quiet shocking these night-gaunts  
Unpleasant horns curved inward  
The dagoes and deep ones  
The dark shades of expression  
Amidst them sheer horrors  
Dwell those who have no name  
Things elder, membraneous  
- Malignancy with bloodshot eyes

Ah...  
Hail thy resurrection  
Legend rising from the ashes

Ah...  
"T is not dead that which  
Can eternal lie,  
But yet with strange aeons  
Even death may die"

Hail thy resurrection.  
Legend rising from the ashes  
Hail thy resurrection  
Legend rising from the ashes
