

## Pretty ugly

Iron Weasel

you're the prettiest girl i've seen  
with ugliest name i've heard  
your face is like a flower  
but the name's a yucky word.

ohhh, dunga  
don't make me say your name.  
ohhh, dunga  
i'll love you just the same.

i really did my best, girl,  
don't want to break your heart.  
i'm sorry, but it's over  
now i'm with your sister flart.

ohhh, flart,  
your name's as bad as dunga.  
ohhh, flart,  
i can't take it any longer!
