

Her

Isaac Carree

Holy Ghost

I'm so grateful, God You know You did the most
When You created her for me
Lord You know
I have witnessed Your glory
All this favor You showed me
When you gave it to me
I had to learn what to do with your blessing
Now I know
That a man who findeth a wife finds a good thing

So every time I think of her
I'm thanking You
And when I give my love to her I'm thanking You
Loving her like Christ love the Church 'cause ya told me to
Yeah She help me see all Your glory
Sometimes I don't feel like I'm worth it
But I'm under Your covenant so I ain't worried
I'm just thanking You

When I think of her I'm just thanking You
When I give her love I'm just thanking You
Married and in love, I'm just thanking You, You, You
When I think of her I'm just thanking You
When I give her love I'm just thanking You
Married and in love, I'm just thanking You, You

Song of Solomon, chapter 8
Read it to me, tell me what it says
I know that You don't make mistakes
So if it's in the book then it must be okay to love her
No I'm not ashamed, I won't shy away
I know I was made to love her
God give me grace
And I hope that every night feels like a wedding night
I pray, oh yeah
Yes a man who findeth a wife finds a good thing, yeah

So every time I think of her
I'm thanking You
And when I give my love to her I'm thanking You
Loving her like Christ love the Church 'cause ya told me to
Yeah She help Me see all Your glory
Sometimes I don't feel like I'm worth it
But I'm under Your covenant so I ain't worried
I'm just thanking You

I don't understand
Why we can't talk about being in love
With the one He gave us
He knew what He was doing
'Cause she was His greatest creation
So I Hope that you don't mind
When I testify the way I do (I do)

So when I think about loving her, I just wanna thank You
And when I give my love to her I'm thanking You

Loving her like Christ love the Church 'cause ya told me to
Yeah She help Me see all Your glory
Sometimes I don't feel like I'm worth it
But I'm under Your covenant so I ain't worried
I'm just thanking You

When I think of her I'm just thanking You
When I give her love I'm just thanking You
Married and in love, I'm just thanking You, You, You
When I think of her I'm just thanking You
When I give her love I'm just thanking You
Married and in love, I'm just thanking You, You
