

I Got You

Isaac Carree

Why do we always seem to do too much?
We don't have to pray about it and leave it all up to you.

When you're in a hurry it don't really work on your time.
It don't really work like that.
Oh, you've gotta know he's in control.
No reason for doubt in your mind.

I got you, ain't gotta worry, ain't gotty worry.
I got you, ain't nothing hurt me as long as I know. [x2]

Do you ever wonder why things seem to work out in your favor?
Don't need luck when he's working your situation.
Don't pray or worry, get off your knees.
The break is already over, already done.

When you're in a hurry it don't really work on your time.
It don't really work like that.
Oh, you've gotta know he's in control.
No reason for doubt in your mind.

I got you, ain't gotta worry, ain't gotty worry.
I got you, ain't nothing hurt me as long as I know. [x2]

When you're in a hurry it don't really work on your time.
It don't really work like that.
Oh, you've gotta know he's in control.
No reason for doubt in your mind.

I got you, ain't gotta worry, ain't gotty worry.
I got you, ain't nothing hurt me as long as I know. [x2]
