

# Reset I

Isaac Carree

Ah man, it's too early.  
Good morning Isaac.  
Good morning.  
Say a command.  
Fear.  
I'm sorry, I don't recognize that command, say a command.  
Depression.  
I'm sorry, I don't recognize that command, say a command.  
Broken.  
I'm sorry you're having difficulties right now, please try again later.  
Goodbye.  
Reset.

It's never too late, you can start right where you are, yeah.  
Life can begin today.  
You're so close, you're not that far.  
Oh, you don't have to stay the same, but you got to want to change.  
Just do your part, oh.

You can start right where you are.  
All you gotta do is reset (your ways), reset (today), reset (your mind), reset, yeah.  
No matter what's behind you, I'm here to remind you that you can (reset, reset, reset, reset, yeah).  
You can start right where you are, you are.
