

Backseat Girl

Isaac Dunbar

I'm just your backseat girl
You wonder why I cry at night
Just your backseat girl
Missing out

You can't be right all the time
It's not up to you, it's not up to you
Blame God
Or blame mom
Or blame you

I'm just your backseat girl
If only I could rule your world
Every kiss, every ride
Why do I even try?

You say you can't be right all the time
Out with the old, in with the new
Lately I wonder why
I go back to you

You say you can't be right all the time
It's not up to you, it's not up to you
Blame God
Or blame mom
Or blame you

Bang bang the door down man!
Let me in!
(Let me in, ugh)

Bang bang the door down man!
Let me in!
(Let m in, let me in, let me in)

Bang bang the door down man!
(Bang, bang, bang, bang)
Let me in
(Why don't you understand?)
Bang bang the door down man!
(If only you could understand)
Let me in

You say you can't be right all the time
Out with the old, in with the new
Lately I wonder why
I go back to you

You say you can't be right all the time
It's not up to you, it's not up to you
Blame God
Or blame mom
Or blame you
