

lullaby

isaac gracie

I've been hearing voices in my head
Turning out the lights ever since you left
The shadow of a stranger's in my bed
One more wasted night, one more wasted breath
Oh, but how was I to know
You were the song that used to ease my mind
Now it's so hard to let you go
Knowing I'm leaving better days behind

Your love was like a lullaby
It knocks me out every time
And even through the longest night
You never let go 'til I was satisfied
And I never said so but
Your love was like a lullaby

Now I've been seeing visions in my mind
Of a perfect life, life I left behind
Now it all just feels so incomplete
Got nothing more to give
Got nowhere left to be
No, but how could I forget
You were the song that used to ease my mind
Now I lie awake with my regrets
Knowing I left my better days behind

Your love was like a lullaby
It knocks me out every time
And even through the longest night
You never let go 'til I was satisfied
And I never said so but

Your love was like a lullaby
It knocks me out every time
And even through the longest night
You never let go 'til I was satisfied
(Your love was like a lullaby)
And I never said so but

Your love was like a lullaby
Your love was like a lullaby
Your love was like a lullaby
