

# silhouettes of you

isaac gracie

I light the fuse  
And I watch it burn  
And somewhere deep inside I know there's a lesson to be learned  
It's not the crime but the way that we pay for  
Feelings unmutual

You go upstairs  
And I hang my head  
Somebody said I let myself down as I crawled into bed  
I wandered why the hell I'd ever paid for  
Feelings unmutual

I'm tired of living in the shadows  
These paper walls I can't break through  
I'm sick of standing by your window  
Tracing silhouettes of you

When it gets dark  
You light the spark  
And all the lies I tried to live by start falling apart  
Whoever knew that it could be so painful  
Feelings unmutual  
Now I can't escape  
These things I've done  
But my anxieties have promised me the worst is to come  
So give up living for the life that you paid for  
Feelings unmutual

I'm tired of living in the shadows  
These paper walls I can't break through  
I'm sick of standing by your window  
Tracing silhouettes of you  
Tracing silhouettes of you  
Tracing silhouettes of you  
Tracing silhouettes of you  
Tracing silhouettes of you

I light the fuse  
And I watch it burn  
And somewhere deep inside I know there's a lesson to be learned  
It's not the crime but the way that we pay for  
Feelings unmutual
