

something inside me

isaac gracie

Something inside me has changed
Now I don't know who I was before
You told me I'd been acting strangely
But if you could see inside of me

I finally broke down at your feet
And I bite my tongue and I count to ten
'Cause I don't even know what I need
I wish you could see inside of me

My love is a cave
Where the world disappears
Where I bury my hopes
As I bathe in my tears

Trapped like a bird in a cage
Now when you're around, I just bring you down (down, down, down
)
I said I won't go there again
I will change for you when I learn how to

My love is a cave
Where the world disappears
Where I bury my hopes
As I bathe in my tears

I love you
I love you
I do
I do
