

## when you go

isaac gracie

I've never been so in and out of touch  
I've never given so little promised so much  
I've never used a woman like you, before  
You've never been so sure and so afraid  
You've never been so broken and so brave  
I'll never lose a woman like you, again

Wondering when  
Carry me home  
Keep my love  
When you come  
When you go

I don't want to do this anymore  
We've been down this lonely road once before  
We've seen it all  
We know the flaws  
I don't want to sing another song  
About the ways I got everything wrong  
To list it all, just takes too long

Wondering when  
Carry me home  
Keep my love  
When you come  
When you go

Wondering when  
Carry me home  
Keep my love  
When you come  
When you go

Keep my love  
When you come  
When you go
