

Groove-A-Thon

Isaac Hayes

It's the Groove-A-Thon
Everything's grooving on
Just dance 'til you can't dance no more
It's a funky sound
And we're getting down
Everybody's up for the funk

It's the Groove-A-Thon
Everything's grooving on
'Cause baby, we'll hustle all night
On a disco trance
And we'll do our thing
We're going to do it 'til they turn off the lights

It's the Groove-A-Thon
Everything's grooving on
Look at the girl with the blue jeans on
Shake, shake your thing
She's a disco queen
And she's doing it down to the bone

It's the Groove-A-Thon
Everything's grooving on
Everybody jump and shout
Shake your booty, mama
If you wanna
'Cause we're gonna turn it out

It's the Groove-A-Thon
Everything's grooving on
Just dance 'til you can't dance no more
It's a funky sound
And we're getting down
Everybody's up for the funk

It's the Groove-A-Thon
Everything's grooving on
'Cause baby, we'll hustle all night
On a disco trance
And we'll do our thing
We're going to do it 'til they turn off the lights

It's the Groove-A-Thon
Everything's grooving on
Look at the girl with the blue jeans on
Shake, shake your thing
She's a disco queen
And she's doing it down to the bone

It's the Groove-A-Thon
Everything's grooving on
Everybody jump and shout
Shake your booty, mama
If you wanna
'Cause we're gonna turn it out

It's the Groove-A-Thon

Everything's grooving on

It's the Groove-A-Thon
Everything's grooving on
