I'll Do Anything (To Turn You On)

Isaac Hayes

Mhm, mhm
Mhm

Hey honey
You shouldn't have to ring my bell
(Turn me on, turn me on)
You look so sexy, even a man on the moon could tell
(Turn me on, turn me on)
Your personality speaks to me
You got your shit together
You [?] needing me
I'd love to get to know you better

You can't bake bread in a cold oven
And wet wood takes too long to burn
Whatever it takes to get to love you
All you gotta do is just say the word (Word)

'Cause I'll do anything to turn you on
(Ooh ah, ooh ah)
Yes it is
(turn me on, turn me on)
Yeah
(Ooh ah, ooh ah, turn me on, turn me on)

I know every woman has a lot on their chastity, yeah
(Turn me on, turn me on)
Every man has to earn the key to the treasury, yes he does
(Turn me on, turn me on)
I've always worked extra hard for the things I desire
I plot, scheme, strategize for a chance to light your fire
I'll promise not to bore you
I'm going you a distance from your head to your toes
Just give me a chance to show you
One night with you and anything goes

'Cause I'll do anything to turn you on
(Ooh ah, ooh ah)
Yes it is
(Turn me on, turn me on)
I gotta turn you on
(Ooh ah, ooh ah, turn me on, turn me on)

And some girls like to be bad girls, you know [?] to chains and leather
Ah, I forget what it's called but, the freakier the better
Whatever the game to turn you on I'll play it any time with you
My [?], your [?], the playing field is up to you

I guess you know right now what's on my mind
(Turn me on, turn me on)
Ain't no shame in my game
(Ain't no shame)
That's just a waste of time, yeah
(Turn me on, turn me on)
I know you got fantasies, turn safely away
Feel free to share them with me, today is your lucky day
I can be sweet or nasty

Rough as a bear or gentle as a dove
It would be a disaster
To miss this adventure of love

'Cause I'll do anything to turn you on
(Ooh ah, ooh ah, turn me on, turn me on)
I gotta turn you on
(Ooh ah, ooh ah, turn me on, turn me on)

Whatever it takes (Will you do anything to turn me on)
Tell me what you need (Will you do anything to turn me on)
Tell me what you want (Will you do anything to turn me on)
I'll gladly do it to you (Will you do anything to turn me on)
Yeah (Will you do anything to turn me on)
(Will you do anything to turn me on)
(Will you do anything to turn me on) (Ooh ah, ooh ah, turn me on, turn me on
)
(Will you do anything to turn me on) (Ooh ah, ooh ah, turn me on, turn me on
)
Whatever it takes to turn you on (Will you do anything to turn me on) (Ooh,
ah, turn me on, turn me on)
Whatever it takes to make you hot (Will you do anything to turn me on) (Ooh,
 ah, turn me on, turn me on)
(Will you do anything to turn me on) (Ooh ah, ooh ah, turn me on, turn me on
)
(Will you do anything to turn me on) (Ooh ah, ooh ah, turn me on, turn me on
)
...
