

## It's All in the Game

Isaac Hayes

So now you say it's over, and you don't love him anymore  
Who are you trying to fool, me or yourself?  
You're not having any luck with either  
And you've taken all this time to fall in love  
And you gonna fall out of love overnight?  
Just because of some form  
And your heart is hurting  
What about in between the heartaches?  
When he takes you in his arms and holds you and kisses you  
And you acknowledge your love for him  
Look, anything is love is worth having  
You're gonna have your ups and downs  
Your good and your bads, your bitter and your sweets  
It's all the game

Many a tear has to fall, but it's all in the game  
All in the wonderful game that we know has love  
You have words with him  
And your future's looking dim  
But all these things your heart will rise all above

Once in a while he won't call, but it's all the game  
Soon he'll be there at your side  
With our sweet bouquet (He loves you, he really loves you)  
But then he'll kiss your lips  
And caress your waiting fingertips  
As your heart is gone a-flyin' away  
(Fly away, fly away  
Fly away, fly away)

Then he'll kiss your lips  
And caress your waiting fingertips  
And your heart will fly away (Fly away, fly away)  
It's all in the game (He loves you, he really, really, loves you)  
The game called love  
(He loves you, he really, really, loves you, all in the game)  
You might cry sometimes  
(He loves you, he really, really, loves you)  
Don't worry you gonna laugh sometimes  
(He loves you, he really, really, loves you)  
'Cause it's all in the game  
(He loves you, he really, really, loves you)  
The game called love  
(He loves you, he really, really, loves you)  
So hold on, hold on to him good  
(He loves you, he really, really, loves you)  
Yes, he really loves you, don't let him go  
(He loves you, he really, really, loves you)  
Don't ever let him go  
(He loves you, he really, really, loves you)  
'Cause he loves you so  
(He loves you, he really, really, loves you)  
Remember it's all in the game  
(He loves you, he really, really, loves you, all in the game)  
He loves you, he really, really, loves you, all in the game  
He loves you, he really, really, loves you, all in the game
