

Love Has Been Good To Us

Isaac Hayes

I'm so grateful we met, and I'll never forget
The feeling that I got when I first laid my eyes on you
You stepped out of a dream
You were a love within
And I think my heart stopped beating for a second or two
I had a thing for you, and you had a thing for me
And this thing just through and through
And now we're oh so happy love

Sure has been good to us, hey love
Sure has been good to us
And everyday you'll hear me say
"I love you, my dear, and I'm so glad you're here"

Now I never knew I'd ever have a girl like you
It seems like they always belong to someone else
Apparently love was on our side
'Cause your heart wasn't occupied
And I knew the thing to do was to get you for myself
And since then we've never been apart
So much love is in our hearts
Just how lucky can we be
Well I've got you, and you've got me, that's love

Sure has been good to us, hey hey love
Sure has been good to us
And everyday you'll hear me say
"I love you, my dear, and I'm so glad you're here"

We're gonna keep what we got
'Cause we know we got a lot
But your love will never ever let you down
And the sun will fall from the sky
Before we make each other cry
We're too busy being the happiest couple around
Doing things like walking in the rain
Playing silly games, in the movies holding hands
And making love when we can, yes, love

Sure has been good to us, oh love
Sure has been good to us
And everyday you'll hear me say
"I love you, my dear, and I'm so glad you're here"

Love, oh love
Thank you love, I-I want to thank you love
Love's been good to us
Hey hey
