Medley: I'm Going to Chicago Blues / Misty

Isaac Hayes

You keep your New York Joys
I'm going to Illinois
Just as fast as I can

You New York women think
You'll make a fool of any man
Play all kinds of games
And you'll cheat if you can

Use love like a tool
Make a man a fool
What a beautiful motto

Got my money, that's it
How can you mind if I split

Going back where a woman
Really knows the way to treat a man
And people are friendly
Without no hidden plan

It's the best in the midwest
It's a real darn city full of
Good folks who come from home

And when I get back
I'll never roam far
From my little Chitown
Goodbye, farewell
I might see you later

Going to Chicago
Sorry but I can't take you
I come from Chitown
Going back to my town

Going to Chicago
Sorry but I can't take you
No use in crying
Tired of your lying

There ain't nothing in Chicago
That a monkey woman can do
I got to quit you
Can't make it with you

When you see me coming, baby
Raise your window high
Hide your window to the sky, yeah

When you see me coming, baby
Raise your window high
Catch me passing on the fly, yeah

But when you see me passing, baby
Hang your head and cry
Search your soul and

Wonder why, yeah

Hurry, hurry down sunshine
And see what tomorrow brings
Tomorrow, tomorrow
Hurry, hurry, hurry down sunshine
And see what tomorrow brings
Tomorrow, tomorrow

Well, the sun went down
And tomorrow brought us rain
Tomorrow brought sorrow

You're so mean and evil
You do things you ought not do
My, you're a mean one
First time I've seen one

You're so mean and evil
You do things you ought not do
You used to be cool
Now find a new fool

Got my brand of honey
But I won't have to
Put up with you

Hate you and your town
That's why I got
To put you down
Goodbye

Look at me
I'm as helpless as a kitten up a tree
And I feel like I'm clinging to a cloud
I can't understand
I get misty, holding your hand

Walk my way
And a thousand violins begin to play
Or it might be the sound of your hello
That music I hear
I get misty the moment you're near

You can say that you're leading me on
But it's just what I want you to do
Don't you realize how hopelessly I'm lost
That's why I'm following you

On my own
Would I wander through this wonderland alone
Never knowing my right foot from my left
My hat from my glove
I get misty, and too much in love

Don't you realize how hopelessly I'm lost
That's why I'm following you

On my own
Would I wander through this wonderland alone
Never knowing my right foot from my left
My hat from my glove
I get misty, and too much in love

I'm too misty, and too much in love
