

# Rock Me Easy Baby

Isaac Hayes

(Rock me, baby...)  
(Rock me easy, baby...)

I'm a little uptight now  
And I need to unwind  
A river of passion, girl  
Has flooded my mind

Now you've got the motions  
To satisfy my notions  
Come on  
And rock me easy, baby  
(Easy, baby)

Now you got a whole lot of  
Freak in you (Yes you do)  
And I can't get enough of  
Good love from you

Now you can tease me  
So long as you please me  
Come on  
And rock me easy, baby  
Ow!  
(Easy, baby)

The first time you loved me  
Was all it took  
I'm strung out like a junkie, girl  
You love has got me hooked

Hear my heart beating  
My body's overheating  
Come on  
And rock me easy, baby

Please (Oh, baby)  
I need it to survive

Now you got a whole lot of  
Freak in you (Yes you do)  
And I can't get enough of  
Good love from you

Now you can tease me  
So long as you please me  
Come on  
And rock me easy, baby

Easy, baby  
Rock me, baby  
Easy, baby  
Rock me, baby  
Ow!  
Easy, baby  
Rock me, baby  
Easy, baby...
