

## eyes don't lie

Isabel LaRosa

Eyes don't lie  
Eyes don't lie  
Say you're mine  
Eyes don't lie

Can't lie to you baby  
Wanna feel your body close  
You say that you hate me  
But tell me shit nobody knows

Yeah you're beautiful don't have to try  
Darlin' you look divine

Eyes don't lie  
Eyes don't lie  
Say you're mine  
Eyes don't lie

You tell me your secrets  
You keep your life between your lips  
You know you're my weakness  
Tell stories with your fingertips

Yeah you're beautiful don't have to try  
Darlin' you look divine

Eyes don't lie  
Eyes don't lie  
Say you're mine  
Eyes don't lie

I swear friends don't get this close  
Pull you in exchanging souls  
Trace my skin losing control

(Eyes don't lie  
Eyes don't lie  
Say you're mine  
Eyes don't lie)

Eyes don't lie  
Eyes don't lie  
Say you're mine  
Eyes don't lie
