

HAUNTED

Isabel LaRosa

I'm haunted, haunted, haunted
I'm haunted, haunted, haunted

I took up too much space when I was next to you
But now it's just me all alone in this damn room
Can't sleep imagining the things I'd say to you
(Won't say to you)

I need help, lost myself, don't know who's in the mirror
Is this hell? Hear you yell, but there's nobody here
Feel unwell, can you tell? That I need you, my dear
Now you're here (Now you're here)

I'm haunted, haunted, haunted
I'm haunted, haunted, haunted

My heart's racing, I swear you're standing next to me
My thoughts are overcrowded, my room's empty
The more I search, the more that I lose clarity
(Clarity, clarity, clarity)

I need help, lost myself, don't know who's in the mirror
Is this hell? Hear you yell, but there's nobody here
Feel unwell, can you tell? That I need you, my dear
Now you're here (Now you're here)

I'm haunted, haunted, haunted
I'm haunted, haunted, haunted
I'm haunted, haunted, haunted
I'm haunted, haunted, haunted
