

# Pretty Boy

Isabel LaRosa

You're my first  
God, it hurts  
Boy, I'm holding on for life  
Angry words (Angry words)  
Feel their worst (Feel their worst)  
When we try it one more time

I want your name forever  
Behind mine

Baby, be my pretty boy (Pretty boy, pretty boy)  
Can you be my pretty toy? (Pretty toy, pretty toy)  
Hand on my mouth, cut out the noise  
I belong to you  
Baby, be my pretty boy (Pretty boy, pretty boy)  
I'm so obsessed, it's not a choice (Not a choice, not a choice)  
I'm melting when I hear your voice  
I belong to you

Tired eyes, terrified (Terrified)  
We've got everything to lose  
Watch me cry, drowning eyes  
Are you running from the truth?

I want your name forever  
Behind mine

Baby, be my pretty boy (Pretty boy, pretty boy)  
Can you be my pretty toy? (Pretty toy, pretty toy)  
Hand on my mouth, cut out the noise  
I belong to you  
Baby, be my pretty boy (Pretty boy, pretty boy)  
I'm so obsessed, it's not a choice (Not a choice, not a choice)  
I'm melting when I hear your voice  
I belong to you

My pretty boy
