

# Chocolate

Isabela Merced

Softest words like raindrops on cement  
Swear that I can recognize your scent, past life, yeah  
Savor every second that I get  
Promise we will do this all again, again, again, yeah

I lick my lips after we kiss, like chocolate, yeah  
To reminisce about you everyday and night, yeah  
And it's hard to be patient, yeah  
I can still taste it, yeah  
I lick my lips after we kiss, like chocolate, yeah

Un deja vu, que me pasa otra vez  
Vuelvo a probarte y yo vuelvo a caer  
Rompos el hielo, toquemos el cielo  
Te quiero en mi boca como un caramelo

Me gusta tú  
Me gusta solamente tú  
Tú también quieres lo que me quiero  
Y rompamos el hielo, toquemos el cielo  
Te quiero en mi boca como un caramelo

I lick my lips after we kiss, like chocolate, yeah  
To reminisce about you everyday and night, yeah  
And it's hard to be patient, yeah  
I can still taste it, yeah  
I lick my lips after we kiss, like chocolate, yeah

Bate, bate, bate chocolate, chocolate  
Bate, bate, bate chocolate, chocolate  
Bate, bate, bate chocolate, chocolate  
Bate, bate, bate chocolate...

Holding you's like muscle memory  
Speaking like my favorite melody, past life, yeah  
Memorized all of your everything's  
Loving you's the sweetest, sweetest thing, yeah

I lick my lips after we kiss, like chocolate, yeah  
To reminisce about you everyday and night, yeah  
And it's hard to be patient, yeah (hard to be patient)  
I can still taste it, yeah (I can still taste it)  
I lick my lips after we kiss, like chocolate, yeah

Bate, bate, bate chocolate, chocolate  
Bate, bate, bate chocolate, chocolate  
Bate, bate, bate chocolate, chocolate  
Bate, bate, bate chocolate, chocolate
