PAPI

Isabela Merced

La la la la, la la la
La la la la, la la la
La la la la, la la la
La la

So you're looking for attention
Or did I forget to mention?
Don't like frivolous affection
I don't want it on the first date or third date
Or ever

Pull me closer if you want to
I'm no public display PDA so
Read my lips or
Bite them later
Even if I fall

I'm never gonna call you papi
Even if it makes you happy
Not gonna call you papi
Even if I kiss up on it, touch up on it, let's be honest, nah
No papi
Even if it hurts, I'm sorry
Not gonna call you papi
Even if I kiss up on it, touch up on it, let's be honest, nah

Sé que quieres solo eso, ¡espérate!
De mi boca solo un beso espérate (espérate)
Si tú dices que me quieres (ey)
Dices que me amas (ey), ven relájate
Y no te miento hay algo right now
¿Qué está pasando entre tú y yo right now?
Si tú te ves más lindo tan calla'o
Vente ya a mi la'o
Vente ya a mi la'o

I can't lie that there is something right now
In between us there is something right now
You're cuter when you shut your pretty mouth
Vente ya a mi la'o
Vente ya a mi la'o

I'm never gonna call you papi
Even if it makes you happy
Not gonna call you papi
Even if I kiss up on it, touch up on it, let's be honest, nah
No papi
Even if it hurts, I'm sorry
Not gonna call you papi
Even if I kiss up on it, touch up on it, let's be honest, nah

Pull me closer if you want to
I'm no public display PDA so
Read my lips or
Bite them later
Even if I fall

I'm never gonna call you papi
Even if it makes you happy
Not gonna call you papi
Even if I kiss up on it, touch up on it, let's be honest, nah
No papi
Even if it hurts, I'm sorry
Not gonna call you papi
Even if I kiss up on it, touch up on it, let's be honest, nah

La la la la (I know you want it), la la la
La la la la (I know), la la la (you want it)
La la la la (I know you want it), la la la
La la (I know)
Isabela prende la candela
