

The Chase

Isabela Merced

Wassup, how you doing?
I feel the rush now, viene y sube
You got my interest
No lo dejes pa' después
I wanna know, oh

Baby, you know I can't resist ya
I can feel the tension running through your whisper
Stay on read till you double text
Yeah, the game just feels so good
Mess around till I take you down
Like you knew I knew I would

Want it bad, is it bad?
Only want what I can't have, I can't have
Is it the look on your face?
Or is it the light in this place?
Or am I in love with you?
Or am I in love with the drama that brings me back
Only want what I can't have, I can't have
Is it the look on your face?
Or is it the light in this place?
Am I in love with you?
Or am I in love with the chase?

Pushing, pushing, wanna pull it
Oh baby, no sé, no sé what I'm doing
I want you to leave me
I want you to need me
This makes no sense
No tiene sentido

Baby, you know I can't resist ya
I can feel the tension running through your whisper
Stay on read till you double text
Yeah, the game just feels so good
Mess around till I take you down
Like you knew I knew I would

Want it bad, is it bad?
Only want what I can't have, I can't have
Is it the look on your face?
Or is it the light in this place?
Or am I in love with you?
Or am I in love with the drama that brings me back
Only want what I can't have, I can't have
Is it the look on your face?
Or is it the light in this place?
Am I in love with you?
Or am I in love with the chase?

Me encanta como tu lo juegas
Regresas y luego me dejas
Me subes y me bajas
Esta vez tu no te escapas
Me muero de ganas
Yo voy por donde tu vayas

Want it bad, is it bad?
Only want what I can't have, I can't have
Is it the look on your face?
Or is it the light in this place?
Or am I in love with you?
Or am I in love with the drama that brings me back
Only want what I can't have, I can't have
Is it the look on your face?
Or is it the light in this place?
Am I in love with you?
Or am I in love with the chase?
Or am I in love with the chase?
